## [Pirates Of The Caribbean Collection Cheats and Unlockables \(DS\)](#)

*A list of codes and unlockables for the two games in the series*

The Pirates Of The Caribbean series of video games is inspired by the Hollywood hit movies. In the Nintendo DS version of the games (both *Pirates Of The Caribbean: At World's End* and *Pirates Of The Caribbean: Dead Man's Chest*), there are more playable characters, including [pirate](#) captain Jack Sparrow, Hector Barbossa, Elizabeth Swann and William Turner. The two titles follow the events presented in the respective movies.
