## [Pocketbike Racer - Unlockables \(Xbox 360\)](#)

*This is almost ridiculous*

Welcome to the wild world of pocketbike racing: The tiniest and most back-breaking of motorsports. Swing your leg over your Pocketbike Racer and experience the exhilaration only a knee-high motorcycle can provide. It might look a bit ridiculous, but being this low to the ground does have its advantages. You have a lower center of gravity, so you can take those corners harder and stay stable. Also, if you fall, there's not so far to go. Best of all, your opponents are on the right level to eat your dust. So choose your 40 pound, 14 horsepower beast, choose a character, and choose from a series of tracks with long straightaways, tight bends, and treacherous hairpins. Then sit back and enjoy the game, knowing you can always Have It Your Way.

**Achievements: Complete the following achievements to unlock Xbox Live Gamerscore points.**
