Trouble in Jessica Simpson's Marital Paradise?

The Simpson-Lachay couple married three years ago

According to late rumors, actress and singer Jessica Simpson stopped wearing her wedding ring, because she doesn't feel like Nick Lachey's wife anymore. Jessica, who married Nick Lachey On October 26, 2002, reportedly cried when a close friend asked her why did she remove the ring. The singer, while taking a meal with some friend in a swanky New York restaurant, confessed she doesn't see Nick as much as she liked, because of their busy schedules. And it seems that, at one point during the meal, Jessica called her husband, demanding they make more time for their marriage. A source is quoted by Britain's Daily Star newspaper as saying: "Jessica returned to the table with a big smile on her face. She quickly took her wedding ring out of her purse and put it back on her finger." Jessica told her friend: 'Nick's cancelled a bunch of stuff to spend more time with me'. Jessica Ann Simpson, born July 10, 1980, is an American pop singer who rose to fame during the late 1990s. She has starred with her husband Nick Lachey (pronounced la-SHAY) in the MTV reality show *Newlyweds*, released her own line of beauty products called *Dessert*, and has also started a career as an actress.
