[Proporta Introduces Universal iPod Dock](#)

Package includes sync/charge cable and is suitable for most iPods and the iPhone

[Proporta](#) is launching the [Universal iPod Dock](#), good for use with iPod classic 80GB, iPod classic 160GB, third generation [iPod nano](#), [iPhone](#) and, of course, iPod touch. The Universal iPod Dock from Proporta costs \$21.95 to buy. You can pre-order yours right now, visiting the manufacturer's website.

"The Proporta Universal iPod Dock is the perfect home for your Apple iPod," Proporta says. "With five connector insert trays for the Apple iPod classic 80GB, Apple iPod classic 160GB, Apple 3G iPod nano, Apple iPod touch and Apple iPhone, easily insert your device in to the relevant tray and use your charging cable (sync/charge cable included) to double up the dock as a charger cradle and stand, in one."

The dock comes in both black and white, making it suitable for a wider iPod user-base. Key features of the Universal iPod Dock include: suitable for holding the iPod classic 80GB, iPod classic 160GB, iPod 3G nano, iPod touch, iPhone; sync/charge cable included; available in stylish black and classic white; allows users to charge through the dock using their Apple iPod charging cable.

Proporta offers a speedy and efficient delivery service that requires users to just choose what product they want, where they want it and Proporta will take it from there. "We take responsibility for making sure that your product/s are delivered to you safely, and are experienced in delivering them quickly to any address you tell us to – be it for business or pleasure," the accessory maker notes.

All packages sent to addresses outside of Western Europe, USA and Canada or the United Kingdom will be sent via Airmail. Proporta asks customers to wait for 10-15 working days from the time of dispatch for their products to arrive.

Also, if you're the proud owner of a MacBook Air, Proporta also has some nifty accessories for carrying around Apple's latest laptop, from the cheap, but useful Reversible Drawstring Bags to Proporta Gadget Bags that can hold everything that you need to maintain and use all your devices (not just the Air) on the go.
