Ratatouille is a [video game](#) based on the 2007 Pixar film of the same name. Several of the actors from the film voice their characters in the game. It has been released for Wii, Nintendo DS, PlayStation 3, PlayStation 2, PlayStation Portable, Xbox 360, Xbox, Nintendo GameCube, Game Boy Advance, Windows, Mac OS X, and Mobile. Remy (Patton Oswalt) lives in a rat colony in the attic of a French country home with his brother Émile (Peter Sohn) and father Django (Brian Dennehy). Inspired by France's recently deceased top chef, Auguste Gusteau (Brad Garrett), Remy tries to live the life of a gourmet. Not appreciating his talents, his clan puts him to work sniffing for rat poison in their food.
