[Rush/L.A. Rush Cheat Codes II \(PSP\)](#)

Win all the races

For the first time ever on the PSP, you have attempt mad jumps, high-flying stunts and arcade-style racing from the original RUSH franchise. Named Rush in the US and L.A. Rush in other countries, this racing game offers top notch entertainment. Go head to head with a friend in a street race or cruise mission using Wi-Fi functionality, or experience Story Mode which allows you to race through five Los Angeles city re-creations while finding treacherous shortcuts and surviving death-defying jumps!

Exclusive to the PSP is an all new Stunt Arena, where players can fly over ramps and perform stunts in the air and drive the loop-de-loop to gain massive bursts of speed, all the while collecting golden tokens to unlock extra content. Feel the RUSH as you race more than 36 licensed rides including muscle, tuner and exotic vehicles!

Rush is the latest in the Rush series of games. The game includes the full console version of L.A. Rush and also has several exclusive new features. The game has fresh missions and modes. Other new features include 50 vehicles (with at least 36 of them being licensed), 30 cruise missions (playable with somebody else using the PSP's Wi-Fi), upgrades for cars (available from multiple top-line manufacturers and West Coast Customs) and a new hip-hop and rock soundtrack. Twista and Lil' Kim are featured in the soundtrack.
