[SNK vs. Capcom Card Fighters DS Unlockables and Glitches \(DS\)](#)

Free battle mode and card duplication glitch

SNK brings its [card battling](#) series to a new generation of gamers. SNK VS CAPCOM CARD FIGHTERS DS is the first new game in the series since 2000. Players build decks of characters pulled from the annals of SNK and Capcom gaming history for the ultimate strategic battle. **Features**- All-New Card Fighters game for the Nintendo DS - Use strategic card arrangements to win - Over 300 different cards to use, collect, and trade - Know your character and their special abilities and combine them for added value and strength

Unlockables**Free Battle Mode**Clearing the 13th Floor unlocks Free battle mode where you can face off with Bosses you have beaten already. **Travel to any floor**Once you have 100% completion of the building, you are able to travel to any floor at any time**Glitches****Card Duplication Glitch**You must have at least a two-deck recipe to achieve this glitch, naming recipe A and recipe B1) Go to the deck/bag screen2) Load recipe B (touch the menu button above the "OK" button, then the first button seen)3) Add the card you want to duplicate to deck (max. 49 cards)4) Take out card(s) (apart from what you just added) from the deck so that the number of cards is 505) Register the new formed deck recipe to deck recipe A (touch the menu button and then the second button seen). 6) You will be asked to overwrite the existed recipe or not, choose yes.7) Load deck recipe BYou will then find the card you just added increases by the number you added.BE EXTREMELY CAREFUL not to register the newly formed deck recipe to deck recipe B, or you will lose the card instead of gaining it. Below's the intro of a fans-only cards game, which you'll surely love if you've played similar titles before:
