## **Sarah Michelle Gellar Eager to act Naked**

*"Buffy" wants to strip off for her appearance on the big screen.*

The 28-year-old sexy "Vampire Slayer" is rumored to be desperate to bare all on the big screen before she hits 30 so her fans can see her in her prime. Sarah Michelle Gellar has expressed her intention to appear naked on the big screen, as she wants to get ridd of her teen star image. "I am approaching 30 and I need a change. The sort of roles I would like are not being offered, so this way might just shock people into choosing me", said "Buffy". Gellar, who is set to play the main part in "Alice", a movie based on "McGee's Alice" video game, is rumored to have been preparing for a role in the new movie 'Southland Tales'. The "Scooby Doo" star may portray an X-rated actress who is trying to quit porn to develop her own reality TV show.
