## [Sexy Naïke Rivelli still in the shadow of her sex-symbol mother Ornella Muti](#)

*Naïke Rivelli, 30, doesn't get the same attention from men as her mother, Ornella Muti, 50*

She is almost 31. Her name is Naïke Rivelli, Italian actress, model and TV celebrity, but well-known as the daughter of famous Italian actress Ornella Muti. Naïke has always talked openly about her troubled childhood, her tormented adolescence, her relationships, her bisexuality and her loneliness. Apparently, her mother's celebrity made her suffer more than everything. The media portrayed "the daughter of Ornella Muti" more like a nude star in men's magazines who talks freely about her sexuality, and less like a talented actress. Naïke was recently present at the closing gala of the "Lola" awards in Berlin. At the reception which followed the ceremony, Naïke spotted a man in his forties she was very attracted to, so she went to ask him to have their picture taken together. The man turned to be the German politician Christian Wulff, who has never heard of her. When producer David Groenewold informed him Naïke was Ornella's daughter, the politician said he would have loved to meet her mother, the famous Italian actress. Naïke likes tough men, so Wulff's answer gave her second thoughts of having their picture taken. The actress went back to Italy without having made big German conquests. Naïke Rivelli, one of the three children of Ornella Muti, has a daughter, Akash, the Indian name for Sky. She is separated from Facchinetti and has been living with Stefano Piccolo since 1998. The Italian actress, voted in 1994 as "the most beautiful woman in the world", has never revealed the name of Naïke's father. (source:ornellamuti.net)**Ornella Muti:**
