Sharon declared Bruce Dickinson berated Ozzy and belittled the festival's audience, and that even the rest of Iron Maiden's member were embarrassed by Bruce's behaviour and personally apologised to Ozzy. In her statement, Osbourne fumes: "Bruce Dickinson started berating Ozzy and belittling the Ozzfest audience. Out of 200 plus bands over the last 10 years, he has been the only person who hasn't had the Ozzfest spirit." He thought he was at a battle of the bands, always making other comments about other artists." She added that "Steve Harris personally came to Ozzy in San Bernardino and apologised for Bruce's behaviour this summer, stating that he and the rest of the band were embarrassed by their own singer."
