[Sneak King Achievements \(Xbox 360\)](#)

A complete list of the things you can achieve while playing

Sneak King is an [Xbox 360](#) title developed by Blitz Games and published by King Games on the 19th of November 2006, only in North America. This is one of the three titles developed especially as an advertising campaign for Burger King, which started selling it for \$3.99 to anybody who purchased a value meal. In-game, the player controls Burger King's mascot, The King, who must sneak around and deliver the greasy meals to random people. Not too much of a game, but it probably had its fans. However, we doubt they were too many, since there are barely any stories related to the game. We know that true gamers play all these games just for fun, as they should, and not in order to achieve specific point landmarks to prove to their friends they are very cool, but we also know that sometimes you just can't live without achieving everything possible with a title you really enjoy. If that's the case and you want to know exactly what to look for when it comes to this game, we have prepared a full list of achievements for you. Good luck!
