[Soltrio Solitaire Achievements \(Xbox 360\)](#)

A complete list of the things you can achieve while playing

Soltrio Solitaire is an [Xbox 360](#) card game developed and published by Silver Creek Entertainment. The title was released on the 16th of May 2007, exclusively on Xbox Live Arcade. It is still up for grabs and it costs 800 MS Points (\$10). The game is basically a bundle of 18 different solitaire games. One interesting thing about Soltrio Solitaire is the fact that it can now be called a true card games encyclopedia, since no less than nine downloadable packs have been released since the game was launched, each adding extra ten games. So, if we do some simple math, it offers exactly 108 different card games to play. Enough for everybody, we might add. We know that true gamers play all these games just for fun, as they should, and not in order to achieve specific point landmarks to prove to their friends they are very cool, but we also know that sometimes you just can't live without achieving everything possible with a title you really enjoy. If that's the case and you want to know exactly what to look for when it comes to this game, we have prepared a full list of achievements for you. Good luck!
