[Star Fox Command Unlockables \(DS\)](#)

A complete list of unlockables

Star Fox Command is a Nintendo DS exclusive, the fifth title in the Star Fox series developed by Q-Games and published by [Nintendo](#). The game was first released in Japan, on the 3rd of August 2006. It was released in North America on the 28th of August 2006, in Australia on the 21st September 2006 and, finally, in Europe on the 26th of January 2007. It was the first game in the series developed for a handheld console. There are a lot of potentially iconic characters present in the game. The Star Fox Team of mercenaries has the following members: Fox McCloud (the main character), Falco Lombardi, Peppy Hare, Slippy Toad, Krystal. Other members are: James McCloud, ROB 64 and Tricky. The Star Wolf team has the following characters: Wolf O'Donnell (also known as Lord O'Donnell), Leon Powalski, Pigma Dengar, Andrew Oikonny, Panther Caroso. The villains in the game are: Andross, Captain Shears, General Scales, Aparoid Queen, Emperor Anglar. Some supporting characters are also present: General Pepper, Bill Grey, Katt Monroe, Beltino Toad, Amanda, Dash Bowman and Lucy Hare.
