Starcraft: BroodWar - Cheat Codes and Hero Unit Speech

"You may have time to play games..."

When it surfaced, Blizzard's own Starcraft: Broodwar was the most exceptional RTS expansion pack of all time, revitalizing the original gameplay and boosting it to lengths no one thought possible. While further patching did adjust pricing, abilities and cooldowns, the overall balance was close to perfect and Broodwar's current all-time high popularity is a living proof. The following cheat codes can be used in single player mode, just in case you need a push in the right direction while playing the game for the first time. A complete list of special unit speech has also been compiled as this kind of interaction makes up for half the fun in the single player mode.

Cheat Codes

- Instant Victory - there is no cow level
- Instant Loss - game over man
- Reveal Map - black sheep wall
- Secret Zerg Theme Song - radio free zerg (works when playing as the Zerg)
- Invincibility - power overwhelming
- Receive 10,000 Minerals and Gas - show me the money
- Receive 500 Minerals - whats mine is mine
- Receive 500 Vespine Gas - breathe deep
- Infinite Energy - the gathering
- No fog of war - war aint what it used to be
- Instant Free Unit Upgrades - something for nothing
- Disable Food and Psi Requirements - food for thought
- Disable Technology Tree - modify the phase variance
- Free Technology Upgrades - medieval man
- Disable Level Victory - staying alive
- Fast Build Mode - operation cwal
- Level Select - ophelia, then type the name of the desired level

StarCraft level names consist of the race followed by the mission number (terran1, terran2, zerg1, zerg2, protoss1, protoss2, etc), while Brood War levels prefix the name with an 'x', like: xprotoss5

Build Over Supply Limit as Protoss - have your Dark Archons mind control any protoss unit as many times as you want

Build Over Supply Limit as Zerg - mutate as many drones as possible into a creep colonies, then quickly select the same number of larvae and mutate them into the unit you desire. Stop the drones from mutating into buildings afterwards

Heroes and special unit speech

Terran Civilian

"I wanna be all I can be." "I tell you what, I think I'll join up." "I'm a little claustrophobic, though." "Hope they don't put me in any tight spaces..." "Eh, what the hell, I need that college money."

Jim Raynor (Marine, Vulture, & Battlecruiser hero)

"Hey, quit it!" "What's your problem, man?" "Look, Commander, do you mind?" "I knew I shoulda stayed in bed this morning..."

Sarah Kerrigan (Ghost heroine)

"Easily amused, huh?" "Doesn't take a telepath to know what you're thinking." "You get off on annoying people, don't you?" "You may have time to play games..." "...but I've got a job to do."

Edmund Duke (Siege Tank & Battlecruiser hero)

"Been a general for 15 years..." "...now I'm takin' orders from a pup." "This Korhal outfit is a mess." "Y'all need some good old-fashioned discipline!" "That's what you need..."

Samir Duran (Ghost hero) -Duran's Infested form also uses these quotes, but in a slightly Zergier voice.

"Is there a problem?" "Hahahaha! I like your style, friend." "But I think you're getting a little too familiar." "I don't believe we've met." "I am Duran. Who are you?" "I told you my name, it's Duran! Duran!" "What's so funny?" "Please, please! Tell me now!" "Is there something I should know?"

Fenix (Zealot & Dragoon hero)

"I fear no enemy..." "...for the Khala is my strength!" "I fear not death..." "...for our strength is eternal!"

Tassadar (High Templar & Carrier hero)

"Speak quickly, Executor!" "I don't have time for games!" "I was Executor long before you..." "...so do not try my patience!"

Zeratul (Dark Templar hero)

"You have persecuted us for generations..." "...and now you beg us to aid you?" "We will do what we must..." "...but we do it for Aiur, not you."

Artanis (Scout hero)

"Explain this odd behavior." "Stop poking me!" "What do I look like, an orc?" "This is not Warcraft in Space!" "It's much more... sophisticated!" "Know it's not 3-D!"

Infested Kerrigan

"You begin to annoy me, Cerebrate..." "... but DON'T think I need you." "Should you become a nuisance..." "...I'll kill you myself!"
