[Tales Of Vesperia Achievements \(Xbox 360\)](#)

A complete list of the things you can achieve while playing

Tales Of Vesperia is a role playing game developed by Namco Tales Studio (a game development studio created specifically for the series) and published by [Namco Bandai Games](#), exclusively for the Xbox 360 console. The title will be launched on the 26th of August 2008 in North America, while the release date for Europe is not known (we do know, however, that it's going to hit the stands during Spring 2009). It was a great and pleasant surprise for the fans of the franchise to find out that the character designer is Kōsuke Fujishima and the producer is Yoshito Higuchi (who previously worked on both Tales of Symphonia and Tales of the Abyss). Tales Of Vesperia is a highly anticipated title and Namco Bandai will probably strike gold with it. We know that true gamers play all these games just for fun, as they should, and not in order to achieve specific point landmarks to prove to their friends they are very cool, but we also know that sometimes you just can't live without achieving everything possible with a title you really enjoy. If that's the case and you want to know exactly what to look for when it comes to this game, we have prepared a full list of achievements for you. Good luck!
