[The Incredible Hulk: Ultimate Destruction Codes \(GameCube\)](#)

Get Smash Points and double the value of your pickups

The Incredible Hulk: Ultimate Destruction is a video game developed by Radical Entertainment and based on Marvel Comics' Hulk. The game was released on August 24, 2005 in the United States and in September 2005 in Europe. The player controls the Hulk in a free-roaming environment similar to that of the Grand Theft Auto series or to the previous Marvel-based video game Spider-Man 2, in which the player can visit most locations and interact with the environment while not engaged in missions. **The game's** bosses include Devil Hulk and Mercy and the game's main villain is the Abomination. There are plenty of costumes, like "Joe Fixit" and "Savage Banner." The Abomination is playable once the story mode is completed, although he shares the same moveset as the Hulk and is more or less another one of the game's many unlockable costumes. **Codes**At the Code Input Screen enter the following codes. Note: These codes only work when they have been unlocked in the game. TRANSIT - All vehicles are buses CABBIES - All Vehicles Become Taxis AMERICA - American shorts for Hulk RETRO - Black and White Graphics OCANADA - Canadian Flag Pants CHZGUN - Cow missiles DESTROY - Double Hulk's damage abilities BRINGIT - Double Value of Health Pickups DRAPEAU - French Flag shorts for Hulk DEUTSCH - German flag shorts for Hulk SMASH10 - Get 10,000 Smash Points SMASH15 - Get 15,000 Smash Points SMASH5 - Get 5,000 Smash Points KINGKNG - Gorilla Invasion CLASSIC - Gray Hulk(Without Suit) MUTANDA - Italian Shorts for Hulk FURAGGU - Japanese Shorts for Hulk SUITFIT - Joe Fixit PILLOWS - Low Gravity VILLAIN - Play as Abomination (Must complete Story Mode 1st) HISTORY - Sepia mode BANDERA - Spanish flag shorts for Hulk FSHNCHP - Union Jack shorts for Hulk FROGGIE - Wild traffic The ultimate destruction is now unleashed!
