[The Incredibles: Rise of the Underminer Cheats \(DS\)](#)

Complete list of codes you can use in-game

The Incredibles: Rise of the Underminer is a video game inspired from the popular animated movie The Incredibles and it has been released on most of the platforms available in 2005: PlayStation 2, GameCube, Xbox, Mac OS X, GBA, Nintendo DS, PlayStation Portable and PC systems. This game, however, does not allow you to replay the events as seen on TV - it comes with an original storyline that begins immediately after the end of the movie's events. Therefore, you will begin your quest against The Underminer, a parody to the Fantastic Four villain, Mole Man. One of the things that upset some of The Incredibles fans was the fact that not all the Incredibles members were playable characters, therefore reducing the possibilities to develop several strategies and offer a greater replay value to the game. However, the title, developed by YUKE's Future Media Creators and Pacific Coast Power & Light and published by Capcom (Japan, Europe) and THQ, was enjoyed and appreciated by most of the people who played it.

CHEATS Unlimited energy Enter WHYMUSTWEFIGHT as a code. **Level select** Enter LEVELLOCKSMITH as a code. **All gallery entries** Enter SHOWME as a code. **Frozone gets 1,000 experience points** Enter FROZPROF as a code. **Frozone has everything at max** Enter FROZMASTER as a code. **Frozone's Super move** Enter FROZBOOM as a code. **Mr. Incredible gets 1,000 experience points** Enter MRIPROF as a code. **Mr. Incredible has everything at max** Enter MRIMASTER as a code. **Mr. Incredible's Super move** Enter MRIBOOM as a code. **Disable HUD** Enter HUDBEGONE as a code. **GAMEPLAY HINTS** **Glide with Mr. Freeze** In order to have Mr. Freeze glide, you'll have to press A and while in the air, hold A. While doing this, you can still steer him with the control panel and it should give you enough advantage throughout the game.
