## [The Portable Gadget Charging Station](#)

*For all those who really love their gadgets*

Neatly preparing your  
gadgets for the new  
day  
Think Geek

Having your portable gadgets simply thrown and scattered across your room or possibly your entire home is definitely no way to treat them, despite the fact that you sometimes do exactly as above. Now, you've spent serious green on your 120GB iPod and even more on your very smart and cool-looking PDA, so things should change a bit, because you're not gonna buy new ones next month. Therefore, a very nifty solution such as the Portable Gadget Charging Station might come in just perfect. &nbsp;The Portable Gadget Charging Station is one smart way to have your portables at hand anytime, providing a safe and organized method to store your small daily accessories overnight.&nbsp;Whether it's about portable digital players, PDAs or cell phones, jewelry or wristwatches, the Portable Gadget Charging Station will have them all elegantly deposited and waiting for you to pick them up before you start the new day. This "gadget-garage" comes with a neatly fabric-lined construction and it is entirely made of wood - the aesthetic aspect was not neglected and this is why you can integrate it in any setting, whether you're thinking about a modern or a more conservative one.&nbsp;You get three cradles, a drawer and a fourth additional bin for pens, keys and the likes. The Portable Gadget Charging Station comes with its own integrated power strip and a hidden compartment where you can store the adapters for your gadgets. This is essential when it comes to fighting cable tangles and looking to add a stronger touch of tidiness to your room.&nbsp;Now, the beauty is in the eye of the beholder, and this means that the Portable Gadget Charging Station looks either neat and elegant or purely geeky. Nevertheless, for the price of under [\\$30](#), you could try and buy one, then wait for your friends' reactions and figure it out for yourself.&nbsp;We are just a few, but there are many of you, Softpedia users, out there. That's why we thought it would be a good idea to create an email address for you to help us a little in finding gadgets we missed. Interesting links are bound to be posted with recognition going mainly to those who submit. The address is .
