[The Sims 2 Christmas Party Pack for PC](#)

Bonus CD for one of the most popular PC games

Electronic Arts announced that "The Sims 2 Christmas Party Pack", a special Christmas-themed Bonus CD for the world's most popular PC game will hit store shelves across Europe on November 18th. "The Sims 2 Christmas Party Pack" contains over 40 new Christmas-themed items that allow your Sims to celebrate their Christmas in style. With this bonus content your Sims can decorate their house, serve a festive dinner, witness Santa's arrival and even host a happening New Year's party! The Sims franchise is recognized for being one of the few game brands to achieve popularity across all ages and genders. This widespread appeal has resulted in incredible success, with a string of top-selling games and combined sales exceeding 58 million units worldwide. The appeal of The Sims 2 is that the game is whatever you make it! The gameplay experience follows the day-to-day life of the Sims characters that you create and control over an entire lifetime. Players enjoy participating in all the ups and downs of their Sims' lives - from the big events such as falling in love or building their first house to the more sentimental moments such as putting up their family's first Christmas tree and hosting a festive dinner!

Some game features:- Serve a holiday feast for the whole family! - Get festive and decorate your Sim's house with Mistletoe, Stockings, Snowmen, Wreaths, Winter-themed Paintings and more! Complete the house exterior with Christmas Lights, Frosted Windows, and Reindeer Lawn Ornaments. - Dress up as Santa or Mrs. Claus and experience their arrival on Christmas Eve. - Throw a happening New Year's Eve party and don't forget to set off some fireworks!- Includes all 12 objects featured in The Sims 2 Holiday Giveaway.- Also includes previously released holiday favorites from Easter, Chanukah, Kwanzaa and Halloween. Since the number of Internet threats consisting of viruses, worms, trojans (to mention just a few) is growing day by day, Softpedia gives you the chance to vote for your favorite antivirus application.
