[The Sims 2: Pets Codes and Money Cheat \(PS2\)](#)

Cat and Dog Codes

The Sims 2 Pets will build on the celebrated The Sims 2 experience that allows players to create and control digital characters throughout their lives while determining the outcome of their relationships and choosing their destiny. Each version will feature customized content tailored to the platform. The addition of a new friend is guaranteed to enrich the daily lives of your Sims! Not only will players have the opportunity to choose from a variety of existing breeds, and hot designer mixes, but they'll also be able to personally design their new friend with the Create-a-Pet feature. The ability to customize gives fans the opportunity to create their **ideal pet** by choosing their body shape, unique markings, even their pet's personalities! With so many different animals to choose from, there's no telling what unpredictable experiences could occur! Players will also be able to teach their pet new tricks, take them for a romp in the park, outfit them with new pet accessories and even give them a job! As in real life, your Sims' pet will require care and training.

Give your sim Pet Points Enter during game play after activating the cheat gnome to bring up the "give sim pet points" option on the cheat gnome. Triangle, Circle, X, Square, L1, R1 - "Give sim pet points" option on cheat gnome

Gnome Code Enter during gameplay L1, L1, R1, X, X, Up - Gnome Code

Money Cheat Enter the code during game play while the gnome cheat is active. This code was written by a smarter fan, but apparently they never put it in here, so here it is. Triangle, Up, Left, Down, Right - Gives sims 10,000 simoleons.

Time Advance Cheat During gameplay in a house or lot, type in the cheat. Up, Left, Down, Right, R1 -

Advance time 6 hrs. Here's a weird glitch of the game:
