The gadget-gadget: a holster for all your techno toys and more Eholster

[The e-Volve Gadget Shoulder Holster](#)

Ultimately cool gadget-gadget

It's not very often when we get the chance to write down some lines about a gadget that's made for... other gadgets: well, the e-Volve Gadget Shoulder Holster IS such a piece of technology, a gadget-gadget if you like. And besides its very nature, this object is also indefinitely cool, because it boasts a functionality and looks; in fact the Gadget Shoulder Holster could easily become a hit among gadget-loving people and for the gadgeteer-wannabes. So, what's on with this holster, might you ask. The first thing you'll notice when looking at one is the absolutely cool design: this gadget looks so much like a real gun holster you get to see in movies on police/army/special troops. And that's cool. The holster is made from heavy duty ballistic nylon cloth, capable to endure all the grind and abuse in a fast-paced everyday life yet still keep your belonging safe and secure, whether you're walking or running.

The second thing about the e-Volve Gadget Shoulder Holster is its handy functionality: this tool can easily store all sorts of small objects you carry with you each day in your pockets - PDA, mobile phone, eyeglasses or sunglasses, pens, keys and so on. Now you don't have to carry all these in your pockets and look for them in the least accessible places because the e-Volve Gadget Shoulder Holster will have things organized for you: the large gadgets quick-access pouch will easily store your PDA, iPhone, pocket camera, PSP or other similar gear, while the small gadgets quick-access pouch is perfect for common cellphones and portable media players. A zippered pouch is also available for your glasses, money, cards USB drives and so on, while the elastic pen holder will also let you carry a writing tool without fearing you'll lose it. Finally, the quick-clip key ring will keep your keys at hand in any moment , letting you reach to them and get them with little effort. The e-Volve Gadget Shoulder Holster is fully adjustable via velcro pads and quick-lock buckles, so wearing it will be an altogether pleasurable and comfortable thing. You can get your own e-Volve Gadget Shoulder Holster for just under [\\$70](#) - it might seem like a high price in the first time, but if you're an active guy and are willing to free your pockets while taking better care for your gadgets, this thing is the elite choice. We are just a few, but there are many of you, Softpedia users, out there.
