[Tom Clancy's Ghost Recon Advanced Warfighter 2](#) is the sequel to Tom Clancy's Ghost Recon Advanced Warfighter. It expands on the game play of Ghost Recon Advanced Warfighter and is the fourth installment in the popular [Ghost Recon tactical shooter](#) video game series, published by Ubisoft. The game's story takes place just south of the United States border, and deals with the growing turmoil in that region. The game takes place over a span of just 72 hours, and features a wide array of location types including forests, mountains, jungles, and towns. The combat takes place in both Mexico and the United States of America, although the game begins in the urban part of Mexico City there is a mission in El Paso involving a plot to destroy a dam.
