[Tom Clancy's Splinter Cell Essentials Cheats and Hints \(PSP\)](#)

Go undercover in this spy game

Tom Clancy's Splinter Cell Essentials is a spy action game available exclusively for the PSP system. It was launched in the spring of 2006. The title will offer a new and unique gaming experience with a storyline drawn from the highest-rated spy action series of all time.

Tom Clancy's Splinter Cell Essentials takes players deep into the Splinter Cell saga. Experience all-new missions and objectives exclusive for the PSP system, and discover the untold story of Sam Fisher through flashbacks of various missions from the entire Splinter Cell franchise, including Tom Clancy's Splinter Cell Double Agent.

CHEATS

Bonus missions

Hold Select and press L, R, L, R, L, R at the bonus mission screen. Repeat the code to unlock the next bonus mission. The bonus missions are "Paris-Nice", "Heroin Factory", and "Television Free Indonesia".

All bonus missions

Go to splintercellessentials.com on your PSP's Internet connection, select "PSP User", and enter A27200203S as a code.

HINTS

Splinter Cell Chaos Theory reference

On the mission after the graveyard, get to the part where you escape from your cell. You will hear two men talking about what seems to be a football player being traded to another league. This same conversation can be overheard in Splinter Cell Chaos Theory, during the first mission in single player mode.
