[Tony Hawk's American Wasteland Cheats \(Xbox 360\)](#)

A complete list of codes to make your gaming experience easier

Tony Hawk's American Wasteland is the seventh Tony Hawk Pro Skater game in the series and the first one to support Xbox Live play. The title has been released on the most important platforms of 2005: PC, PS2, Xbox, Xbox 360 and GameCube. The handheld versions of the game are known as Tony Hawk's American Sk8land. Just like the previous games in the series, this one was very popular, even though it basically brought only a few changes to the franchise. It was received with mixed reviews, but great excitement from the fans and instantly turned into a mega hit for its publisher, [Activision](#). Lots of game characters are playable, with tons of unlockables available. We know that true gamers play all these games just for fun, as they should, and not in order to achieve specific point landmarks to prove to their friends they are very cool, but we also know that sometimes you just can't live without achieving everything possible with a title you really enjoy. If that's the case and you want to know exactly what to look for when it comes to this game, we have prepared a full list of cheats for you. Good luck!
