### *Skate as anyone you like*

Tony Hawk's Project 8, also known as Tony Hawk's Pro Skater 8 but officially abbreviated as THP8, is the eighth installment in the Tony Hawk's Series. It was released on sixth-generation (Playstation 2 & Xbox) and seventh-generation consoles (Xbox 360 & Playstation 3), and is a completely different game from its Wii counterpart, Tony Hawk's Downhill Jam. The name Project 8 refers to the Project 8 competition featured in the storyline, and because this is the eighth game in the "Tony Hawk" series. **CHEATSSkate as Travis Barker**Enter plus44 as a code.
