TrackMania Sunrise Extreme Has Been Launched!

Solo and multiplayer demo available

Go eXtreme and try the brand new official recently released extension of Trackmania Sunrise, thanks to the solo and multiplayer demo. Trackmania Sunrise eXtreme includes many new tracks and features, a new game mode (Stunt), more "eXtreme" building blocks to create insane tracks. Be sure to check out the new stunt mode that is totally new to TrackMania Sunrise. Gamers will enjoy Bay environment driving the outrageous 4x4. The demo includes a host of 2 race challenges, 2 stunt challenges, 2 platform challenges and 2 puzzle challenges. Even the great and famous track editor is available. Access has been granted to play online the multiplayer modes and to connect to the official game servers! Download the demo (314 Mb) from www.noos.fr/animation/focus/trackmania/TmSunriseExtremeDemo.exe Official website: www.trackmania.com
