[Ultimate Mortal Kombat 3 Achievements \(Xbox 360\)](#)

A complete list of the things you can achieve while playing

Ultimate Mortal Kombat 3 is part of a four-release combo made up of PS2 and Xbox editions of Mortal Kombat Armageddon. UMK3 features all the players present in Mortal Kombat 3 plus some hidden characters in [Mortal Kombat](#) and Mortal Kombat II like Jade, Smoke, Ermac and Noob Saibot. A new feature in UMK3 will be 2-on-2 combat mode present in Endurance matches in previous versions of the game. The players will have new moves and combos, for example, Styker will have a rapid fire gun and the ability to delay the explosion of his grenades. The storyline behind Ultimate Mortal Kombat 3 is basically the same as the one in Mortal Kombat 3. Unfortunately, the Xbox 360 version is basically an emulation and not a port, which means that there are not too many improvements to be found - one of the most important being the option to adjust the screen size from 4:3 to 16:9. The game was released in 2006 for 800 MS Points. We know that true gamers play all these games just for fun, as they should, and not in order to achieve specific point landmarks to prove to their friends they are very cool, but we also know that sometimes you just can't live without achieving everything possible with a title you really enjoy. If that's the case and you want to know exactly what to look for when it comes to this game, we have prepared a full list of achievements for you. Good luck!
