[VentMount Fastens iPhone/iPod Touch to Your Car's Dashboard](#)

3 in 1 accessory that also acts as a belt clip and a desktop stand

Folks at **Digital Lifestyle Outfitters** (DLO) are now offering the [VentMount for iPhone and iPod touch](#) users. Aside securing your device to the dashboard of your car, the 3 in 1 accessory acts as a belt clip when removed from the dashboard, as well as a locking desktop stand to watch a movie or view videos on a flat surface. The DLO VentMount allows you to position [iPhone](#) in your car for hands-free access - especially convenient for drivers with [bluetooth](#) headsets. You can easily rotate VentMount vertically or horizontally for quick-glance viewing of coverflow, maps and driving directions. "The VentMount's unique car-mounting system is a must-have product for all iPhone users," DLO says. "It features a secure mounting device that is hooked onto the car's AC vent." The manufacturer proudly confirms that even while your iPhone, iPod touch is mounted, you'll still be able to easily access the side controls as well as the dock connector in order to plug in and charge your iPhone / iPod touch at any given time. Users do not have to removing their device from VentMount in order to do so. "VentMount for iPhone also functions as a belt clip," says DLO "and features a locking desktop stand so you can easily enjoy hands-free video viewing on any flat surface. Clip on the VentMount, and take your iPhone from car to hipside to desktop in a snap." Some quick facts, according to DLO: - Use VentMount for convenient, hands-free iPhone use in your car - Rotates horizontally or vertically - great for coverflow and driving directions - Use also as a stand-alone belt clip - Locking desktop stand for hands-free video viewing on any flat surface - Fits 4GB and 8GB iPhone

Founded in 2001, Digital Lifestyle Outfitters (DLO) began by producing the world's first iPod sport case. More recently, DLO introduced the HomeDock Deluxe - the first home entertainment dock with on-screen navigation for iPod. DLO now produces an entire line of computer and digital music player accessories ranging from cases and cables to remote and mobile speakers.
