## [Walt Disney World Quest: Magical Racing Tour Unlockables and Hints \(PC\)](#)

*Play as other characters plus some shortcuts*

Walt Disney World Quest: Magical Racing Tour is an interactive game based on attractions at the Walt Disney World Resort. Players compete in [races](#) on tracks inspired by the Haunted Mansion, Pirates of the Caribbean, Space Mountain and Big Thunder Mountain Railroad to acquire missing parts for the park's fireworks machine, which is accidentally destroyed by Chip 'n Dale while gathering acorns. There are 13 playable racers, though only three, Chip 'n Dale (depicted as in the show Chip 'n Dale Rescue Rangers) and Jiminy Cricket, appear outside the game. Racing vehicles vary depending on the track. There are, for example, logs at Splash Mountain, locomotives for Big Thunder Mountain Railroad, Doom Buggies in the Haunted Mansion and Time Rovers at Animal Kingdom's Dinosaur. The [soundtrack](#) features authentic Disney music from the attractions. ([Wikipedia](#))
