[Wizkid Cheats and Glitches \(PC\)](#)

A helpful list of tips, tricks and codes

Wizkid is a [computer game](#) for the Amiga, Atari ST and IBM PC computers, developed by Sensible Software and released by Ocean Software in 1992. Wizkid is officially the sequel to the earlier game Wizball, developed and released by the same companies. Although the story in Wizkid continues directly from Wizball, the actual games are only superficially related to each [other](#). The story starts after the Wiz and his cat Nifta had restored colours to their world. They were both married (to different spouses, apparently) and had children: the Wiz had a son, Wizkid, and Nifta had eight kittens. All was peaceful and happy until the evil mouse wizard Zark came and kidnapped the Wiz, Nifta, and all the kittens, imprisoning them in different parts of the world. It is Wizkid's job to save them. ([Wikipedia](#))

CHEATSA hidden room in the first section of the game serves as a cheat mode. Purchase the token from the shop and exit as the body. Climb down the well and enter the men's bathroom. Use the token on the bubble gum machine and to fly up to a secret room with another men's bathroom door and an exit. Enter the bathroom door to appear in a room with a women and men's bathroom door. Move over to the far right and enter an invisible door at that location. Finally, enter the men's room door and use the following door patters to advance to the corresponding game level or activate the corresponding cheat function. Please note: if the wrong door is chosen, or to return to the first screen, enter the invisible door to the far right.

Effect-Room-Doors Level 2 - 046 - Ladies, Mens, Mens, Mens, Ladies
Level 3 - 051 - Mens, Ladies, Ladies, Mens, Mens
Level 4 - 058 - Mens, Mens, Ladies, Mens, Ladies
Level 5 - 067 - Ladies, Ladies, Ladies, Ladies, Mens, Mens

Game clue - 099 - Mens, Ladies, Ladies, Ladies, Mens, Mens

GLITCHES
Unlimited moneyEnter the shop with all five stars and over a hundred pounds. Purchase another star to receive an extra hundred pounds. Please note: this may also be done by bringing the balloon back to the shop before buying another balloon. Repeat this as much as needed to get unlimited money. Here is a game trailer:
