A complete list of things you can achieve while playing

Wolf Of The Battlefield: Commando 3 is a run and gun type of game developed by Backbone Entertainment and published by [Capcom](#) on the Xbox Live Arcade and PSN, with the Xbox 360 version released on the 11th of June 2008. An interesting thing worth noting is that, at the time of writing this article, everybody who purchased the game on XBLA would also get an open beta key for Super Street Fighter II Turbo HD Remix. Wolf Of The Battlefield: Commando 3 has received mixed reviews, but most of the people who played this game agreed that it brought decent amounts of fun and an overall good quality. Also, it is very likely that Capcom won't stop the sequel frenzy and soon we'll hear about a fourth title in the works. We know that true gamers play all these games just for fun, as they should, and not in order to achieve specific point landmarks to prove to their friends they are very cool, but we also know that sometimes you just can't live without achieving everything possible with a title you really enjoy. If that's the case and you want to know exactly what to look for when it comes to this game, we have prepared the full list of achievements for you. Good luck!
