## [Yu-Gi-Oh! World Championship 2007 Cheats and Passwords \(DS\)](#)

*A huge list of card codes*

**[Yu-Gi-Oh! World Championship 2007](#)** (sometimes referred to as "Yu-Gi-Oh! Duel Monsters World Championship 2007") is a Nintendo DS exclusive game developed and published by Konami. It was released on the 15th of March 2007 in Japan, the 20th of March 2007 in the US, the 27th of April in Europe and the 4th of May in Australia. The game is based on the ever-popular anime series Yu-Gi-Oh! (meaning Game King). Like any collectible card game, Yu-Gi-Oh! World Championship 2007 allows players to collect a host of cards and battle one another using the Nintendo DS stylus. There are roughly 1600 cards available in the game and a set of downloadable cards also exists. Yu-Gi-Oh! World Championship 2007 has been welcomed by the fans of the genre and the Yu-Gi-Oh! fans. What you might not know is the fact that many of the cards can be unlocked in the Password Machine - and you need codes for that. We have prepared a list containing all of them for you. **CHEATSE**nter one of the following passwords at the Password Machine to unlock the corresponding card for purchase. Please note: You can only unlock cards you already have. **Passwords**Aqua Madoor - 85639257 Armored Lizard - 15480588 Armored Zombie - 20277860 Axe of Despair - 40619825 Axe Raider - 48305365 B.
